A quorum was declared present.

The Rev. J. F. Garvin was unanimously elected Moderator.

The Rev. B. F. Brown, host pastor, extended a cordial welcome to the members of Presbytery and gave a brief history of the Potts Memorial Church.

The following guests were introduced to Presbytery and invited to sit as visiting brethren: Lt. R. A. Berry, Chaplain of Camp Lejeune; Dr. James M. Carr, Secretary of Town and Country Church Dept.; Dr. Wm. S. Whitsett, Congregational-Christian minister of Minnesota; Mr. C. W. Gilchrist, ruling elder of the Myers Park Presbyterian Church of Charlotte, N. C. Ruling Elder J. B. Huntington, who is supplying the Cape Fear Church, was recognized and granted the privilege of the floor.

The printed docket was adopted with the following amendments: Mr. C. W. Gilchrist was granted the privilege of the floor to speak for 15 minutes immediately after the adoption of the docket in interest of Queens College. Presbytery voted to hear Dr. James M. Carr at the afternoon session after the election of the commissioners to the General Assembly.

The following communications were read and referred as follows:

1. A communication from Dr. Wade H. Boggs, containing a warning about a Seminary outside our General Assembly soliciting students and funds, was read and received as information.

2. An application from the Burgaw Church to the Assembly's Committee on Home Missions for a loan of $5,000 for the construction of a manse was read. Presbytery ordered the Home Mission Committee of Presbytery to authorize this loan.

3. A communication from Dr. E. C. Scott, Stated Clerk of the General Assembly, concerning the overture sent up by Wilmington Presbytery at its last meeting was presented. Dr. Scott reminded the Presbytery that the Minutes of the Assembly are sent to the Seniors of the Seminaries and agreed to see that the Reports of Commitees are sent also. Presbytery voted to amend the overture by adding the word "rising" before "Senior Classes" in order that the members of the senior classes will have the minutes and reports for use during their senior year at the Seminary.

4. The resignation of Rev. W. H. Allison as Permanent Clerk of the Presbytery was accepted and the matter referred to the Committee on Nominations.

5. An invitation from the Warsaw Church for the spring meeting of Presbytery was referred to the Committee on Time and Place.

The presence of quite a number of Deacons was noted by Presbytery, and they were given a cordial welcome, having come on the special invitation of the Finance Committee issued through the Stated Clerk.

Dr. William Crowe presented Mr. C. W. Gilchrist, who gave an interesting report on the condition and work of Queens College in an appeal for the Presbytery's support

of the current financial campaign of the college. The Presbytery gave a rising vote of appreciation for this talk by Mr. Gilchrist.

The Permanent Committee on Finance was presented by the Chairman, Rev. W. B. Hood. This report was taken up paragraph by paragraph and adopted separately and as a whole as follows:

REPORT OF THE FINANCE COMMITTEE TO PRESBYTERY

Mr. Moderator, and Brethren, your Finance Committee begs leave to submit the following annual report to the Presbytery:

First—The total gifts to all denominational benevolences, including all special offerings, the program of progress, and local or congregational benevolences for the past five years are as follows:

		A per Capita Giving of
1944-'45	$ 79,047	$ 8.60
1945-'46	87,879	9.03
1946-'47	103,454	10.28
1947-'48	105,481	10.34
1948-'49	113,736	10.96

These figures indicate an increase year by year in both total gifts and per Capita gifts. We are gradually over-taking the per Capita giving of the General Assembly and of the Synod of North Carolina, but we still have a long way to go before we catch up with the procession. For the year 1948-'49 the per Capita giving of the General Assembly was $14.03, and the per Capita giving of the Synod of North Carolina was $14.74. (It would be interesting if the officers in each local church were to compare the per Capita giving of their church with those of the Assembly and Synod.)

Second—We call attention again to the fact that a large portion of the gifts to benevolences were designated for particular causes. This year, of the total amount given only $70,000 was undesignated. Allow us to remind you again that this works a hardship on those causes in the budget which do not receive a special offering. Last year every cause that received a special offering exceeded the amount in the budget for the cause, whereas the causes that did not receive special offerings were short of the amount in the budget for them.

Third—For the church year 1950-'51 we have askings in the amount of $80,000 for the Assembly and Synod causes. This represents an increase of $10,491 over the amount which our Presbytery has in its budget for these causes for the fiscal year. It is the judgment of your committee that we should not attempt this increase for the next year, but that we should accept a budget which we can raise, a practice we have been following in the past. It is our judgment that we should accept $70,000 of the $80,000 asked of us and make a determined effort to raise that amount and go over it by a substantial margin, as we have done for the past four years. The $70,000 asked for Assembly and Synod causes, added to the askings of our Presbytery's causes, which are the same as

of last year, will give us a total budget of $102,710. This represents an increase of $491 over the budget for the fiscal year.

We further suggest that this amount be divided among the causes in accordance with the following percentage schedule:

General Assembly Causes—40%

World Missions	21 %	$21,569.10
Church Extension	7 %	7,189.70
Education	3.5%	3,594.85
Annuities and Relief	3.5%	3,594.85
General Fund	5 %	5,135.50

Synod Causes—28%

Home Missions	8 %	8,216.80
Educational Institutions	9.5%	9,757.45
Orphans' Home	5 %	5,135.50
Union Seminary	1.5%	1,540.65
Religious Education	2 %	2,054.20
Student Work	1 %	1,027.10
Home for Aged	.5%	513.55
Wm. Black Home	.5%	513.55

Presbytery Causes—32%

Home Missions	25 %	25,677.50
Presbytery's Administration	7 %	7,189.70

Fourth—We suggest that the following recommendations, suggested by the Stewardship Committee of the Synod, be incorporated in our recommendations to the Presbytery:

1—That March 5, 1950, be designated as EVERY MEMBER CANVASS DAY, and that the canvass in the local church be not considered complete until every member has either made a pledge or has refused to make a pledge after having the claims of the church presented to him in person by a representative of the church.

2—That the theme of the Every Member Canvass for the year 1950 be, "SAY YES TO YOUR FAITH."

3—That the period, February 6 - March 5, 1950, be designated as the special season for emphasis of the STEWARDSHIP OF LIFE AND POSSESSIONS, and that our pastors be requested to preach repeatedly on this theme.

4—That, recognizing the place that the Scriptures give to the tithe as an element contributing to spiritual growth, special emphasis be given to a vigorous promotion of the "separated portion," the tithe being the beginning, as a spiritual necessity for every church member in his development in Christian experience and usefulness.

5—That Presbytery renew its approval of the Program of Progress as the expression of the goals and program of the church.

6—That all churches be urged to make effective as possible the organization of Program of Progress Committees, and lay upon these Committees the responsibility of spreading the challenge of the program.

7—That every church be urged to examine and adjust its budget for benevolences in order that it may fit the growth and ability of the Congregation.

8—That the period of February, March and as much of April as may be needed, be approved as a UNIFIED EMPHASIS PERIOD and that popular rallies be held throughout the Presbytery to present the total program and work of the church.

9—That Mother's Day be continued as a day of special offerings for the Home for the Aged. That such funds as have been or shall be derived from the percentage in the budget be available for use in constructing the buildings for the home until such funds shall be needed for the maintenance of the home, at which time such funds shall be available for maintenance.

FIFTH—In order that we may have before us a total picture of our stewardship, we have listed below the name of every church in the Presbytery, and by the name of the church three columns of figures. The figure in the left-hand column represents the amount the church could have given in the year 1948-'49 if that church had given a per Capita of $10.00 for the year. The figure in the middle column represents what that church actually gave to all benevolences that year. The figure in the right-hand column represents the amount that each church is asked to give for benevolences for 1950-'51.

SIXTH—That the churches be more careful to distribute their overall donations according to Presbytery's adopted schedule of benevolent giving. While the wishes of donors should always be honored, ear-marked donations that complete the budget-figure to one cause should be considered as completing that cause's portion and the undesignated benevolent income of the church could be used to bring up the lagging causes, subject to the direction of the individual church involved.

Respectfully submitted,

WILLIAM B. HOOD, Chairman
Finance Committee

The Moderator appointed the following Standing Committees:

Leave of Absence—Rev. W. H. Goodman, Chairman.

Resolution of Thanks—Rev. M. G. Stimpson, Chairman; Ruling Elders L. J. Simmons and Jesse Batten.

Time and Place of Next Meeting—B. E. Dotson, Chairman; Ruling Elders L. B. Huie and J. S. Newkirk.

After being led in prayer Presbytery took recess for lunch at one p. m.

AFTERNOON SESSION

Presbytery reconvened at 2:30 p. m. with the singing of a hymn and was led in prayer by Rev. Priestley Conyers, III.

Rev. W. B. Hood, Chairman of the Finance Committee, presented Mr. John Diefeld, Deacon of the Wallace Church, who spoke in connection with the Finance Committee's Report on the subject, "Teaching Stewardship in the Home."

Rev. N. P. Farrior presented the report of the Committee on Sabbath and Family Religion, which was adopted as follows:

REPORT OF THE COMMITTEE ON SABBATH AND FAMILY RELIGION

First we wish to thank the members of Presbytery who replied to the request for information that they might think proper to be included in this report, a digest of which, with some direct quotations, will be found embodied in it.

1. Family Religion

Replies indicate that it is the practice of the ministers of the Presbytery to keep the importance of family religion before their congregations by one or two sermons on this subject each year, besides other forms of presentation. One pastor reminds us that "There has been more definite training in this area by the Laymen's Christian Mission than the Presbytery has ever had before. It has been done in two large areas by nationally known authorities and with great effectiveness in a third by a Synodical leader. The churches that cooperated in this mission gave to schools, clubs, and people in general in their communities a great blessing for Christian family life." All reports in this specific area are encouraging.

2. Sabbath Observance

Reports indicate that this, too, is the subject for one or more sermons during the year.

The seriousness of the replies to the question concerning the Sunday recreation programs of young people is gratifying. Whether

it was made clear or not, this question was not concerned with the personal practices of individual young people or of groups apart from church relationships; but with Presbyterian Youth Fellowship activities as a church group. Those who answered seemed to understand the question as it was intended. A study of the replies is interesting. Quotations follow: "Our Church has no clearly defined policy about recreation on Sunday." "Our Youth Fellowship engages in about the same recreation on Sunday as other days of their meetings." "We have not brought up the problem officially. We do not sponsor recreation on the Sabbath." "The Session instructed that . . . we as a Church would favor any recreation on Sunday for our young people which was (a) reasonably quiet, (b) in keeping with the spirit of Sunday, and (c) which did not limit or lessen the primary purpose of the youth meeting, that of worship and spiritual instruction." Two made comment, as follows: "Something concrete should be suggested for young people on Sunday nights." "Your inquiry is a reminder that we should have a plan in our training."

Two remarks concerning the question are in order. First, it applied to young people only, because, so far as we know recreation has not become a part of the Sunday program of other church groups in the same sense. Second, the question was not asked in the spirit of inquisition, but as a survey of facts upon which we could arrive at some judgment of the feeling within the Presbytery on this question.

The replies indicate deep thoughtfulness on a situation that has not yet become fully crystalized. And they point up the change in theory and practice of Sabbath Observance during the last thirty-five or forty years. That long ago recreation for most people was incidental at any time, in the Church it was definitely a week day activity, quite dispensable on Sunday. Perhaps an extreme of that era, though representative of many, was the home of a minister who laid up his Sunday newspaper unopened and did not read it until Monday. That was not Pharisaic ostentation, but unaffected practice of his reverence for the holy day. And life in that home was not dull or dreary on the Sabbath. There were good books, periodicals, high conversation, and quiet rest. Sunday School was held in the afternoon, and was well attended.

Over against that extreme (for there were men who played golf on Sunday and crowds who went to the beach) we do not censure today members of our churches who spend the day fishing, keep open filling stations with grocery or general stores attached (and how many of us have never bought any gasoline on Sunday?), attend the theatre instead of church, and operate theatres on Sunday.

There is no point in making this comparison except to ask whether we have become more enlightened and are spending the day in a more Christ-like manner than our fathers did, or whether we have lost something important to our spiritual life. Does our Shorter Catechism need to be revised in its teaching, or do we need to examine more critically our position? In the 20th chapter of Exodus much more space is given to emphasizing the negative aspect of the commandment than to the positive exhortation to remember the Sabbath day to keep it holy. In the light of our almost universal practice, we are inconsistent if we get much beyond the positive exhortation.

The Committee offers no recommendation, but sincerely requests that the members of the Presbytery freely express their views, so that, if possible, we may discover what is the conscience of the Presbytery on Sabbath observance. Is it possible to have a concrete expression of what we believe should be our rule for Sabbath keeping?

N. P. FARRIOR, Chairman

Rev. H. Reid Newland presented the report of the Permanent Committee on World Missions, which was adopted as follows:

WORLD MISSIONS

"The harvest is plentiful, but the laborers are few; pray therefore the Lord of the harvest to send out laborers into His harvest." Christ stands by our side today repeating these words as He gazes across the face of this fearful and troubled world. He has just cause to weep today, as He wept over Jerusalem, for men are still rejecting Him and erecting barriers between themselves and God. The way of peace and brotherhood is very close but is ignored by those who steadfastly look in the other direction. We must open the eyes of those who have never seen the light, and we must turn about those who have turned to their own ways.

In many places the temple of the Lord is in ruins, whether it be a building made by hands or a soul created by God. Again this year our task is rendered doubly difficult by the agonies and evils of war. Once again some of our missionaries are laboring with the threat of death hanging over them. There is the same picture of men and women fast pouring out their lives for the Master because there are too few to do the tremendous job that confronts the Church on every frontier of evil. Too many are passing on the banner to others, having been worn out too soon by unending sacrifice of self and the lack of sufficient recruits.

This is the situation in general. Now for a quick glance at the various fields.

AFRICA—We have 126 missionaries ministering to 1,810,000 people—one missionary for every 14,300 people. The field is wide open for every type of mission work. We need this year 70 additional missionaries and $350,000.

BRAZIL—We have 79 missionaries ministering to 4,700,000 people—one missionary for every 59,500 people. Here again the field is wide open. The Presbyterian Church in Brazil is the fastest growing Protestant Church in the world. We need this year 60 additional missionaries and $260,000.

MEXICO—We have 32 missionaries ministering to 2,125,000 people—one misisonary for every 66,700 people. There are as yet many unreached areas in Mexico. We need this year 30 additional missionaries and $120,000.

KOREA—We have 47 missionaries ministering to more than 4,000,000 people—each missionary responsible for more than 85,000 people. A great revival is sweeping South Korea, something that so often happens when God's Church is put to the test. Communist op-

position seems only to fan the flame of religious enthusiasm. We need this year 40 additional missionaries and $125,000.

JAPAN—We have only 26 missionaries to meet the desperate spiritual appeal of 3,840,000 people. Here each missionary is responsible for every 147,700 people. This is our greatest mission opportunity today. We need this year 40 additional missionaries and $85,000.

CHINA—We have 20 of our 76 China missionaries remaining on the field. Though they work under handicaps and danger, the Word is still being preached and souls brought into the Kingdom. Here again Communism cannot stop the Church of God, the Church against which the gates of hell shall not prevail. We need this year $260,000 for this work. They need our encouragement and our prayers, not our doubts.

ECUADOR—In this joint Presbyterian enterprise among the Andean Indians, our responsibility this year is for one doctor and $3,000.

PORTUGAL—In this joint Presbyterian enterprise among the unevangelized and illiterate of Portugal, our responsibility this year is for one missionary couple and $9,000.

SUMMARY—Our immediate needs this year on all our mission fields are for 243 additional missionaries and $1,212,000. This is the challenge. The Church must give the answer in the dedication of lives and finances.

Our young people are awakening to the missionary appeal. We must find the means to send them out and to support them in this great work of the Church.

We make no recommendations, being content to lay the cause of World Missions on the hearts and consciences of our people. May God find us faithful!!!

Rev. J. W. Miller, Chairman of the Commission on the Minister and His Work, presented the following recommendations, which are adopted:

In view of the temporary modification of Retirement Rules in the Ministers Annuity Fund, adopted by the last General Assembly, whereby our honorably retired ministers are eligible for supply work in vacant churches, the Commission on the Minister and His Work recommends that Presbytery adopt the following policy:

The report of the Committee on Resolution of Thanks was presented by Rev. M. G. Stimpson, and was adopted by a rising vote as follows:

RESOLUTION OF THANKS

The Committee on the Resolution of Thanks, in behalf of Wilmington Presbytery would *first* like to join with the pastor and congregation of the Potts Memorial Presbyterian Church in giving thanks to God for the beautiful church building, which has been erected under His providence, and through the vision and untiring efforts and generosity on the part of the members of this congregation. We pray that God's blessings may continue upon them as they continue as workers together with God in this community.

Secondly, we wish to express our sincere thanks to all who have contributed to make this meeting of Presbytery a most pleasant one:

1. To the pastor and officers for a well-planned and organized meeting.
2. To the Glee Club of the Penderlea High School, its Director, Mrs. McSweeney, and its accompanist, Mrs. Dunnigan, for their most helpful contribution to our worship service in rendering several choral numbers.
3. To the Women of the Church for the food which they prepared so well and served so bounteously.
4. To Miss McGowan and the girls of the Home Economics Department of the Penderlea High School for such an efficient job of serving the meal.
5. To Mr. D. H. Harnett, principal of the Penderlea High School for his splendid cooperation in making available to the Presbytery the facilities of the cafeteria and the services of so many connected with the High School.

All members of Presbytery present will long remember with gratitude this meeting with you, and we pray God's blessing upon you.

After considerable discussion expressing regret that Mr. Whitener should leave the field after such a short pastorate and while doing such a constructive work, the

The report of the Permanent Committee on Presbytery's Home Missions was presented by the Chairman, Rev. William Crowe, Jr., and was adopted.

REPORT OF PRESBYTERY'S COMMITTEE ON HOME MISSIONS

The churches of the Presbytery contributed to the cause of Presbytery's Home Missions the sum of $17,591.83. This represents an increase over the amount contributed the year before of $4,935.16. In addition we received $2,000.00 from the Belk-Williams Company of Wilmington.

The Home Mission Commitee of the General Assembly made appropriations for work in our Presbytery in the amount of $2,296.74.

The Home Mission Committee of the Synod of North Carolina paid direct to pastors in our Presbytery the amount of $2,990.00. They made appropriations for buildings directly to the churches of our Presbytery in the amount of $3,600.00.

Our Presbytery's Home Mission Committee made disbursements during the year as follows: Pastor's Salaries, $8,910.25; Travel Allowances, or (to use the Assembly's designation) "Increased Cost of Living Bonus," $4,150.44; Annuity Dues, $610.54; Administration, $2,000.00. This is an aggregate of $16,070.69 for personnel. We disbursed for new construction, $4,265.78; for repairs, insurance, and upkeep of property to which the Committee holds title, $2,284.23; to pay off a loan on this property, $670.00.

These expenditures, plus a number of smaller items, amount to the sum of $24,302.66.

The expenditures for Home Mission work in our Presbytery from the three sources, Assembly, Synod, and Presbytery, amount to the sum of $28,802.66.

Our Presbytery is noted for the number of capable, consecrated, and attractive pastors who serve groups of small churches, for the number of pastors of self-supporting churches who also minister to one or more smaller churches, and for the number of capable and consecrated laymen who supply pulpits in our smaller churches. This continues to be true and is one of the heart-warming factors in our Home Mission work. All churches of the Presbytery have had reasonably good pulpit supply during the year, in spite of the acute shortage of pastors.

At the present time we have six vacant fields. Three of these have pastors on call with reasonable assurance that their calls will be accepted. The three vacant fields that do not have pastors on call are Carolina Beach-Myrtle Grove, Tabor-Brunswick, Elkton-White Plains.

Rev. C .H. Maury supplied the Elkton-White Plains field until Feb. 15, 1950, when he accepted the call to a pastorate in Winston-Salem Presbytery. Chaplain R. A. Berry continues to supply the Pollocksville-Croatan field. Mr. J. B. Huntington continues to do excellent work in the Cape Fear church. Rev. P. L. Clark continues to serve in a splendid way the Maple Hill and Mt. Williams churches. Mr. Melvin Cording has served the Grove and Hallsville churches in a most acceptable manner since the departure of Rev. J. N. Morrison. Carolina Beach and Myrtle Grove have been supplied by laymen Sunday after Sunday. The field that has suffered most from lack of adequate pastoral leadership is Tabor City-Brunswick.

At the present time we have pressing need for three pastors to fill our vacant fields, and for three pastors to enable us to divide one field and create two new pastorates.

The coming into our Presbytery, during the year, of three new pastors has greatly strengthened our work. These are Rev. Priestley Conyers to Webb Memorial-Wildwood, Rev. J. W. Mann to Caswell-Black River-Harmony-South River, and Rev. Neill Stevens to Beth Car-Oakdale.

We lost by removal during the year Rev. James F. Garvin and Rev. Olin M. Whitener.

We ask permission to call attention to the rather low salaries being paid to most of our pastors. It has been said

that fewer than one-half of the pastors in our Presbytery are able to support their families on the salaries received for their work, but must supplement their incomes by wives who teach school, or from private sources. Within recent weeks the knowledge has come to us that many of our very attractive men have declined overtures from churches in other Presbyteries offering salary increases ranging from $600.00 per year to $900.00 per year. In some of these cases the churches served are able to pay more than they are paying. If and when their pastors cease to serve them at great personal loss, they will be compelled to increase their salaries in order to attract capable pastors. Let us urge each Elder here to go back home and ask his Session and Diaconate to give serious consideration to the amount paid by his church toward the salary of his pastor. *This is a must* for nearly every church in our Presbytery if we are to keep capable men we now have.

Dr. Crowe interrupted his report to speak very forcefully on the matter of ministers' salaries, especially in the smaller fields. He urged that the laymen present go home and review the matter in their individual churches.

The report of the Permanent Committee on Synod's Home Missions was presented by its chairman, Rev. J. M. Smith, and was adopted.

REPORT OF SYNOD'S HOME MISSIONS

During the past year the Synod's Home Mission Committee has had on its payroll forty-eight persons whose salaries were paid in whole or in part by the Committee.

Appropriations have been made to fifty-four building projects in all nine of the Presbyteries, amounting to $26,750.00. The Committee has paid three-fourths of the support of Rev. O. V. Caudill who has rendered assistance in advising on building new and remodeling old churches and manses in the Synod.

Loans have been made to many churches throughout the Synod for the purpose of building churches and manses. The Committee has loaned during the year $75,000.00. The loan fund for manses was begun several years ago with a legacy of $2,000.00; it now amounts to approximately $89,000.00.

The Committee has promoted evangelism during the year by making the services of Rev. R. K. Davenport available for series of meetings, and by securing for other churches both professional and pastor-evangelists, or some man who is in the pastorate, to preach in churches. During the season when there are not many evangelistic services Rev. Davenport works in vacant churches.

Rev. A. C. Miller, a deaf mute, holds services for other similarly afflicted people in churches at a time that will not conflict with the regular church services. Those accepting Christ are urged to join the church of their choice in the community.

Contributions are made to Negro work by organizing and conducting Sunday Schools for them, and by making financial gifts to special projects sponsored by individual white churches.

The Committee has rendered Wilmington Presbytery the following services: Made appropriations to Webb Memorial Church of $500.00 twice; to Croatan Church $300.00; to Woodburn Church $300.00; and $1,000.00 to Wrightsville Beach chapel. In addition it has appropriated to the new year of 1950-51 the sum of $5,240.00 toward sustentation.

Dr. Gillespie, superintendent of the work, reports that "the work throughout the state is in a flourishing condition and our greatest need is for additional funds and means to meet the challenge of inviting opportunities confronting us."

The report of the Permanent Committee on Assembly's Home Missions was given orally by its chairman, Rev. W. H. Goodman. It was received as information.

Rev. E. D. Witherspoon, chairman, presented the report of the permanent Committee on Religious Education. It was adopted.

REPORT OF RELIGIOUS EDUCATION

Your Committee of Religious Education begs leave to report that during the past months the work of Religious Education in the Presbytery has continued to make progress. An impetus to our work was the Presbytery-wide study of the book, "Lift Up Your Eyes," by Dr. Lewis J. Sherrill. This book was studied in various organizations in many churches, and some ministers of the Presbytery devoted several sermons to it.

Without referring in detail to the past activities in the field of Religious Education, let me present to you the Reverend Murphy Smith, who will present our Youth Work; the Reverend A. K. Dudley, who will present our Pioneer Work; and the Reverend Jerry Newbold, who will present the work of our Vacation Church Schools.

Let us call your attention to the following interesting facts:

1. To the Vacation Bible School Institutes to be held in the Presbytery the second week in May. These Institutes are for the training of Bible School Workers.
2. To the Youth Rally which is to be held in Wallace, April 23, at two o'clock.
3. To the Presbytery's Youth Conference to be held at Flora Macdonald College, June 19-24.
4. To the Pioneer Camp to be held at Lake Singletary, June 26-July 1.
5. To Synod's Youth Conference to be held at Flora Macdonald College, June 12-19.

6. To the Synod's Conference for Men to be held in Davidson, June 10-11.
7. To the special offering for the work of Vacation Bible Schools in the Synod to be received in the Sunday Schools of the Presbytery on April 16.
8. To the plan of Synod's Committee to have Regional Workers with offices located at three points in the Synod where the Workers can more effectively touch the life of the local churches.
9. To the Re-Organization of the Board of Education and the increased efficiency of its service. Particular attention is called to the Department of Visual Aids which is fitted to render excellent service to our Assembly.

Your Committee urges you to take advantage of the opportunities offered in these suggestions to further the work of Religious Education in your local church and in the Presbytery as a whole.

A report submitted by Mrs. Walter P. Sprunt, President of the Women of the Church, of Wilmington Presbytery, was offered by Rev. Ben F. Brown, chairman, as the report for the Permanent Committee on the Women of the Church. It was adopted.

REPORT OF WOMEN OF THE CHURCH

The Women of the Church of Wilmington Presbytery send greetings to the men of the Presbytery in spring session at Whiteville, North Carolina.

The Sixty-second Annual Meeting held in the Faison Presbyterian Church found the women adjusting themselves harmoniously to the plan of reorganization of Church agencies adopted by the 1949 General Assembly; with all the Chairmen of the 7 new boards of Woman's Work elected and installed.

Annual reports from the 64 local organizations are 100%. With few exceptions definite spiritual growth is affirmed. Throughout runs a quiet undertone of enthusiasm with praise to God for His continued blessing.

It is a matter for regret that numerous instances of outstanding accomplishment and personal achievement cannot be recorded in this report; but "by their fruits ye shall know them."

Most local budgets (based strictly on Presbytery's percentages) have been met in full; thus assuring contributions to all benevolent causes of the Church.

To Benevolences	$23,557.00
To Local Churches	$18,664.00
Total	$42,221.00

A marked, but we trust temporary, decrease in benevolences over last year is reflected in the large increase of $6,235.00 to local churches. We saw the results of this in restored and beautified church property when attending the 7 District Group Conferences last October.

In this Presbyterial these Conferences are still called "Days of Prayer" in the old tradition. We are greatly indebted to the Rev.

L. A. Taylor who accompanied us on this long journey; speaking at all Conferences on Evangelism and on plans for the forthcoming Layman Christian Mission. We found Mr. Taylor much loved and warmly welcomed wherever we went; thus adding to our own prestige.

There are 64 local organizations; the Women of White Plains Church, whom we gladly welcome, having been organized in January of this year. The total membership has now reached 4,232.

Wilmington Presbyterial is unique among the Presbyterials in having a definite Foreign Mission Objective. Perhaps the newer members of the Presbytery are not aware that the early Woman's Work in this Presbytery was organized in 1888; known as the Missionary Union.

"The first Annual Day of Prayer was held on October 11, 1902, and has continued ever since. Ours was the first Presbyterial, and for many years the only one to observe a Day of Prayer as a regular observance. God has set His seal upon the Day in many ways."

In 1895 Dr. and Mrs. George C. Worth went out from the First Church, Wilmington, to carry on medical work in Kiangyin, China. On their return 7 years later they attended the first of these Days of Prayer. At this meeting Mrs. Worth told of the poor hospital facilities at Kiangyin. In October, 1903, a Day of Prayer and farewell was held for Dr. and Mrs. Worth on their return to China.

At the Annual Convention in June, 1904, the Union undertook to build the Kiangyin Hospital for Dr. Worth. Amount to be raised, $4,000.00, was completed in 1907.

"The Worth Hospital, now known as the Kiangyin Hospital, is the heart of this Presbyterial Mission, and this Presbyterial should never neglect it." In 1907 the women undertook the addition of a Woman's Ward. During the last World War, Kiangyin was bombed and utterly ruined. From the rubble, by loving toil a new hospital has arisen—a monument to the spirit of the Chinese Christians.

For the support of this work, now going on in spite of Communism, the Women of Wilmington Presbyterial raise through their budgets $3,000.00 a year.

Gifts to other special causes:

Flora Macdonald College (for refurnishing student rooms, $3,-775.00, completed in a 2-year period).

Birthday Gift—May, 1949—$1,371.00. For the 17th consecutive year the local organizations were 100% in giving.

White Cross contributions increased by $135.00 over last year.

Home and Foreign Mission seasons were variously observed by study classes, books, films, and the Week of Prayer and Self-Denial. Other interests and activities included: Overseas Relief; Interdenominational Work, including the World Day of Prayer; Conferences for Negro Women; and Vacation Bible Schools.

Greatest need stated in reports was for more regular preachers in the local churches; greater number of Tithers and families who had family worship; more and better trained local leaders. To meet the last need, the Presbyterial calls attention to the excellent opportunity offered each year by the Synodical Training School held at Peace College for a week early in June; to the Woman's Training School at Montreat in July; to the many conferences held dur-

ing the summer at Montreat. The attendance of our women upon these opportunities for study have been low, perhaps the lowest of all the Presbyterials. *We urge the cooperation of the local ministers in this matter of increased attendance of our women upon these excellent schools.*

Outstanding work of the past winter to engage the attention of the women was the extremely planned and executed Laymen's Christian Mission conducted in this Presbytery and reaching into every area. The women gladly assisted with local planning, transportation, home visitation, and above all with prayer groups.

The Presbyterial has just held its sixty-second Annual Meeting as the guest of the Women of Faison Church; proving to be one of the best meetings we ever had. We are deeply appreciative of the cordiality and many kindnesses shown us by the women and the Minister of this Church. God's blessing was upon us in the messages brought us by His servants who spoke to us on:

Bible Study—Hebrews and Great Prayers of the Bible — Dr. Frank Hall.

Assembly's Student Work—Rev. Edward J. Agsten. (Birthday gift objective for 1950.)

Christian Stewardship—Dr. Roswell Long.

World Council of Churches—Mrs. C. S. Harrington, member of the Central Committee of the World Council of Churches.

Montreat—Dr. J. Rupert McGregor.

From our very own we were honored to have greetings from the new Synodical President, Mrs. Julian B. Hutaff, of Fayetteville, and from Rev. Ben F. Brown of the Presbytery.

Ahead, a number of lights beckon: 1st, full cooperation with the Church's program of Stewardship and Evangelism; 2nd, refurnishing 4 student rooms at Peace College at a cost of $1,000.00; 3rd, furnishing a Presbyterial Memorial Room at Conference Hall, Montreat; 4th, support of the building programs of William Black Memorial Home at Montreat and the Presbyterian Home for the Aged."

Within the next month you should receive your copies of the printed Minutes of the work of the Women of Wilmington Presbyterial. You will not find them tedious. Is it too much to ask of you busy ministers that you read this report and so be in better position to offer comment, advice or guidance as you see it needed? For it is the first wish of the Presbyterial that we plan and work in complete harmony and in the bond of usefulness with the Presbytery.

"O the glory of the days to be!
We, too, would be about their fashioning."

Dr. W. C. Mebane, chairman of Presbytery's Committee, gave an oral report on the Presbyterian Program of Progress, pointing out the need for this Presbytery to do its part in the financial aims of the Program. He gave a short summary of the Layman's Christian Mission, sponsored by the Program of Progress. He asked Presbytery for a Committee to study the possibility of continuing

the Layman's Christian Mission and, if so inclined, to further plans for future missions. The report was received as information and the following recommendations adopted:

1. That a Committee of Laymen and Ministers be appointed to study and map plans for evangelism next year; that Rev. B. E. Dotson, chairman of the Committee on Evangelism, be the chairman of this Committee; and that he be free to choose his own members.

2. That Sunday School enlargement and attendance be the major goal of the Program of Progress this year.

The report of the Commission on the Minister and His Work in connection with the status of the Brunswick church was presented by the chairman, Rev. J. W. Miller.

As the time for the lunch recess was approaching, the report was interrupted while the Moderator appointed the following Standing Committees:

Leave of Absence—Rev. Priestley Conyers, Elder Mercer Taylor.

Time and Place of Next Meeting—Rev. J. A. Marrow, Elder J. B. Stroud.

Resolutions of Thanks—Rev. B. F. Hall, Elder Nelson Page.

Presbytery recessed for lunch at 1:00 p. m.

Presbytery reconvened at 2:00 p. m. with the singing of a hymn and a prayer led by the Moderator.

The report of the Committee on Resolutions of Thanks was given in the presence of the ladies of the church by Rev. B. F. Hall, chairman, and was adopted as follows:

RESOLUTIONS OF THANKS

The Committee on Resolutions of Thanks submits to Presbytery the following report:

That the Presbytery record its profound gratitude to the Pastor, Officers, and Members of the First Presbyterian Church, of Whiteville, and most especially to the elect Ladies of the Church for the gracious Christian hospitality of this day, and the loving provision for all our wants. Moreover, we say to them, as the Apostle wrote to his most beloved church, "I thank my God upon every remembrance of you."

The report of the Commission on the Minister and His Work and the attendant discussion were continued. Finally the report was received as information, and the following motion was adopted:

"That Wilmington Presbytery relieve the Westminster Presbyterian Church of all responsibility in regard to the Brunswick Presbyterian Church."

A second motion was quickly adopted:

"That Wilmington Presbytery request the First Presbyterian Church of Whiteville to assume sponsorship for the Brunswick Presbyterian Church."

Presbytery suspended other business long enough to examine the Sessional Records.

Rev. L. A. Taylor brought in a report as Treasurer for Presbytery and as Central Treasurer of Benevolences. His report was adopted.

The funds of the Central Benevolences Account are audited each year by a C.P.A. and his report is filed herewith as a part of our report.

We commend Rev. L. A. Taylor for his diligence and care in keeping his records in a neat and orderly manner, with all cash receipts properly accounted for.

"Dear Mr. Taylor:

"In accordance with your request, we have made an examination of your books and records as Executive Secretary of Wilmington Presbytery for the year ended March 31, 1949. In order to make a few minor adjustments in the distribution of receipts, it was necessary to continue our examination through May 31, 1949. With the exception of clerical errors which brought about the necessity of these adjustments, the books and records were found in good condition."
